

## SOLAMAGIC® ECO+

Infrared heater

The SOLAMAGIC® ECO+ heaters are characterized by the simplest installation and a highly efficient reflector (ECO+) that optimizes the illuminated area. The casing is made of high-quality aluminum and is available in three colours. The device is equipped with an IR halogen lamp, which achieves a very long service life.

### TECHNICAL DATA

- > Voltage: 230 V
- > Heating element: Infrared halogen lamp HeLen
- > Output: 1400/2000 W\*
- > Colours: White, titanium, nano anthracite
- > Special colour: For extra charge
- > IP rating: IP 24
- > Connection cable: Plug-in cable 180 cm
- > Certification: TÜV

\* Attention: increased starting current!
